PANCHO LABRADOR JR.

Full-Stack Web Developer

Attended Flatiron School Coding Bootcamp with certificate of completion on full-stack software engineering program.

Through code, my goal is to build meaningful contributions for the society.

After 9+ years of experience as a Registered Nurse, I have strengthened my ability to operate under stress, apply critical thinking skills, and effectively function as a team.

TECHNICAL SKILLS

React, Redux	Solidity
Ruby, Ruby on Rails	Wordpress
